The Ocean Is the Stage

The ocean is the stage

In which all the water plays.

I climbed to the balcony

To see the world below.

You were so pretty sitting on a rock

With a jacket like a cape,

And your hair was blown around your face.

So pretty from the balcony.

Then I came down.

I felt alone, the only one there.

But you were. Listening, Talking, Helping!

To The Uncertainty That Lies Ahead: We Dedicate This Yearbook To Our Future

Spring and All Part I

. . . Lifeless in appearance, sluggish
dazed spring approaches —

They enter the new world naked,
cold, uncertain of all —
save that they enter. All about them
the cold, familiar wind —

Now the grass, tomorrow
the stiff curl of wild carrot leaf
One by one objects are defined —
It quickens: clarity, outline of leaf

But now the stark dignity of
entrance — Still, the profound change
has come upon them: rooted, they
grip down and begin to awaken

William Carlos Williams

RETROSPECT presents a partial account of the:

CLASS OF 1973 HISTORY.

As we the class of 1973 entered Whitman-Hanson, each thought to himself "I am the adventurer on a voyage of discovery, ready to receive fresh impressions, eager for fresh horizons . . . to identify myself in, and unify with whatever I am able to recognize as significantly part of me — the 'ME' of universal rhythms." Thus we began our Freshman year in High School. It was the beginning of the end, for in four years we would be graduated.

The year got off to a good start with the vigorous campaigning by the candidates. We elected Matt Olsen, President; Tom Tonello, Vice President; Eleanor Spinney, Secretary; and Donna Anderson, Treasurer. Our advisers that year were Mrs. Brownstein and Mr. Cole.

We were to begin a long line of firsts as Freshmen. We were the first class to have classes at 10:30 a.m. and end classes at 5:30 p.m. We were the first to pass over the Freshman Mixer and substitute a School Dance, which happened to be the same night as the Whitman Carnival.

The newness and the excitement of adjusting to High School life finally wore off and we were settled down to the routine of school life.

As Freshmen, our class activities were very limited, especially since we were cut off from the upper classmen.

One hundred eighty days of our first year of High School passed swiftly and before we knew it, we were to return as Sophomores. Our second year enabled us to better handle our role in the student body, yet we still felt like Freshmen because it was our first year with the upperclassmen. We were however familiar with the school system and anticipated a successful year.

We started our second year by electing Paul Murphy, President; Mike Ohrenberger, Vice President; Eleanor Spinney, Secretary; and Paula Hines, Treasurer. Mr. Cole and Miss Zoccolante were our advisers.

Our Sophomore year, again, was limited in activities because of lack of funds and knowledge of possible money raisers. Time had flown by fast, and before we knew it, we found ourselves as Upperclassmen, JUNIORS! Half of our High School Career was actually over, but looking forward to the activities the next two years would bring.

We entered our third year with a little apprehension but ready to adapt to our new status.

Our officers this year were Mike Ohrenberger, President; David Jenkins, Vice President; Eleanor Spinney, Secretary; and Chris O'Donnell, Treasurer. Advising us were Miss Zoccolante and Mr. Alpren.

The annual Panther's Prance was cancelled. We were the first class not to sponsor a "Miss Touchdown."

Surprisingly and swiftly it was time to make plans for the Junior Prom. A first once more, we invaded the Halifax Country Club for eating, drinking and celebrating. Our theme was "COLOR MY WORLD." That evening Beth Cushman was selected Queen. Her court members were Maryann Benson, Linda Emanuele, Judy Anderson, and JoAnn Merithew.

The year ended with high spirits and brimming hopes for a prosperous summer vacation. As we entered W.H.R.H.S. on our last first day of school, we were faced with many problems and activities which needed to be fulfilled in a very short time.

We began our final year under the leadership of Mike Ohrenberger, President; Paul Comerford, Vice President; Eleanor Spinney, Secretary; and Paula Hines, Treasurer. Mr. Alpren and Mr. Resnick advising us.

Early in the year the Seniors sponsored "The Impossible Years" and a very successful Auction with Fred Benjamin's father auctioneering.

As we prepare to be graduated on June 3, 1973, we look back on the activities and accomplishments, that the few have achieved, with pride. Our activities were limited in many ways, yet we have accomplished much under such circumstances and we are sure that no one member of the Class of '73 will look back with regret. He would rather look forward anxiously to the future.

> *". . . time draweth wrinkles in the fair-face, but addeth fresh colors to a fast friend, which neither heat, nor cold, nor misery, nor place, nor destiny, can alter or diminish."*

Let us not forget our "fast friends" and relationships that we have shared throughout our four long, but short, years in High School. Good Luck to each member of the graduating class of '73. May we each find happiness and a life that is not totally away from each other. Live life to the fullest and remember "Each experience we have, no matter how insignificantly small, DOES add to the puzzle of What We Are, Who We Are, and Why We Are."
